Cresmonde World School: Shaping Future-Ready Global Learners

Cresmonde World School is an emerging leader in international education, offering a Finnish- integrated curriculum aligned with CAIE and ICSE boards. Rooted in global best practices and adapted to the Indian context, Cresmonde delivers a modern, child-centred learning experience from pre-primary to secondary levels.

Guided by the motto *Aspire, Achieve, Ascend*, the school emphasises activity-based, play-led learning that nurtures curiosity, critical thinking, and lifelong learning. Its pedagogy aligns with the National Education Policy (NEP), integrating STEM education, life skills, and 21st-century competencies such as collaboration and communication. With a personalised 1:12 teacher-student ratio, Cresmonde ensures individual attention and holistic development.

In senior grades, students choose between ICSE and CAIE streams while developing transversal skills that prepare them for leadership in a rapidly evolving global environment. The school's world-class infrastructure includes technology-enabled classrooms, VR labs, sports courts, swimming pool, art and music studios, yoga rooms, culinary spaces, carpentry and pottery studi-

Cresmonde World School

os, and expansive outdoor learning areas across campuses in Andheri West and Kalyan.

Beyond academics, Cresmonde promotes robotics, coding, self-de-

fence, sports, and performing arts, supporting students' physical, emotional, and social wellbeing. Its core values—Care, Curiosity, Culture, and Evolve—create an inclusive, nurturing environment.

Academic excellence is evident in the 2025 results, with 100% pass rates in both IGCSE and ICSE examinations.

Under the visionary leadership of Founder Trustee Anita Dewoolkar, Cresmonde continues to expand with new campuses in Andheri East (2026) and Kalyan (2027)—bringing world-class education to more learners across Mumbai.

CRESMONDE WORLD SCHOOL

Holistic Education for Today's Global Learners

In an era where education must transcend traditional boundaries and prepare students for a rapidly evolving global landscape, Cresmonde World School emerges as a transformative force in international schooling. This institution is redefining how young learners engage with knowledge, skills, and values. Rooted in a progressive philosophy and supported by modern infrastructure, Cresmonde is shaping the next generation of confident, capable, and future-ready global citizens.

VISION & PEDAGOGY: A GLOBAL, INDIAN, AND LOCAL RELEVANCE

At the core of Cresmonde World School's educational philosophy lies a seamless integration of Finnish pedagogy with the Indian educational context. Finnish education is globally renowned for its emphasis on student well-being, experiential learning, and critical thinking. By adapting these principles within a culturally relevant Indian framework, Cresmonde offers a balanced and forward-thinking approach to education.

The school's pedagogy becomes an activity-based and play-led learning, ensuring that students actively engage throughout their academic journey. From primary to secondary levels, the curriculum is designed to spark curiosity, encourage exploration, and develop independent thinking. This approach not only enhances conceptual understanding but also builds a lifelong love for learning.

The guiding motto—Aspire, Achieve, Agrad—perfectly encapsulates the institution's commitment to nurturing well-rounded learners who are driven to excel while maintaining strong ethical values.

ACADEMIC PROGRESS: INDIVIDUALISED, INTERDISCIPLINARY & IMPACTFUL

Cresmonde World School adopts a child-centred curriculum aligned with India's National Education Policy (NEP), ensuring that education is both holistic and future-oriented. The integration of STEAM (Science, Technology, Engineering, Arts, and Mathematics) and 21st-century competencies such as communication, collaboration, and problem-solving equips students to thrive in diverse environments.

A standout feature of the school is its commitment to personalised learning. With a favourable student-teacher ratio of 1:12, educators can provide individual attention, identify each student's strengths, and tailor teaching methods accordingly. This ensures that no child is left behind and every learner realises their full potential.

As students progress to senior grades, they explore the fine line between CIE and ICSE streams. This dual-board system allows learners to align their academic paths with their future aspirations—whether pursuing higher education in India or abroad. Addressing the emphasis on interdisciplinary learning and transversal competencies prepares students to adapt and lead in complex, real-world scenarios.

INFRASTRUCTURE & FACILITIES: A TOP-CLASS CAMPUS EXPERIENCE

Cresmonde World School offers a state-of-the-art campus environment that fosters intellectual, physical, and creative development. Every aspect of the infrastructure is thoughtfully designed to support holistic growth.

From technology-integrated classrooms and advanced VR labs to well-equipped science laboratories and libraries, students have access to tools that enhance experiential learning. The school also features sports courts, a swimming pool, yoga rooms, and a spacious outdoor space that promotes physical fitness and mental well-being.

Creative expression is equally prioritised, with dedicated art studios, a pottery studio, a culinary room, and a Woodshop. These spaces encourage hands-on learning and artistic exploration. These facilities ensure that students are not only academically proficient but also creatively confident.

Across campuses such as Andheri West and Kalyan, Cresmonde provides activity zones, auditoriums, and play areas that foster collaboration and innovation. The environment is designed to inspire curiosity, build confidence, and nurture a well-rounded personality.

BEYOND ACADEMICS: PREPARING FOR LIFE

Cresmonde's commitment to holistic education extends far beyond the classroom. The school integrates robotics, coding, and self-defence programs into its curriculum, equipping students with practical skills for real-world challenges. These initiatives help learners develop resilience, adaptability, and technological fluency.

Sports and performing arts play a crucial role in shaping discipline, teamwork, and leadership qualities. Whether on the field, stage, or in collaborative projects, students learn the importance of perseverance, empathy, and mutual respect.

CORE VALUES & ETHOS: EDUCATION ROOTED IN VALUES

The foundation of Cresmonde World School is built upon four core pillars—Class, Character, Culture, and Civility. These values guide every aspect of the institution's functioning.

Class ensures a nurturing and supportive environment where every child feels valued. Character drives exploration and a deeper understanding of the world. Culture celebrates diversity and fosters continuous growth and adaptability. Civility ensures that these principles create a dynamic environment where students are empowered to discover their unique potential while developing a strong moral compass.

OUTREACH & COMMUNITY PRIDE: BEING PART OF ACHIEVEMENT & TRUST

Cresmonde World School's success is reflected in its outstanding academic results and growing community trust. At the 2025 ICSE examinations held at the school campus, students achieved a grand total score of 39.3 and 1.5 grades collectively. This achievement highlights the effectiveness of the school's dual-board curriculum and personalised approach to learning.

Recently, the 2025 ICSE batch secured a pass rate of 88%, being the highest percentage attained. These results underscore the institution's commitment to quality education and consistent performance.

Moreover, the wider community has praised Cresmonde for its forward approach, combining rigorous academics with emotional well-being and character development.

CRESMONDE'S EDUCATIONAL PROMISE

Cresmonde World School stands as a modern beacon of educational excellence in Mumbai, its forward-looking approach seamlessly blends Finnish pedagogy with globally recognised Indian curricula, creating a robust and enriching learning experience. The school's infrastructure supports not only academic excellence but also holistic growth, with state-of-the-art facilities, sports, arts, technology labs, mental health, and overall well-being. This comprehensive ecosystem ensures that students are prepared to succeed in all aspects of life.

Looking ahead, Cresmonde is expanding its footprint with new campuses in emerging locations. The School's first campus is set to open in June 2026, followed by the Midland Road campus in June 2027. This growth reflects the increasing demand for high-quality holistic education.

The driving force behind this expansion is the visionary leadership of founder trustee Anshu Deshpande, who believes in empowering youth to thrive in a technology-driven world.

A Proud Representation

Ms. Dipti Sawant

Trustee, Cresmonde World School

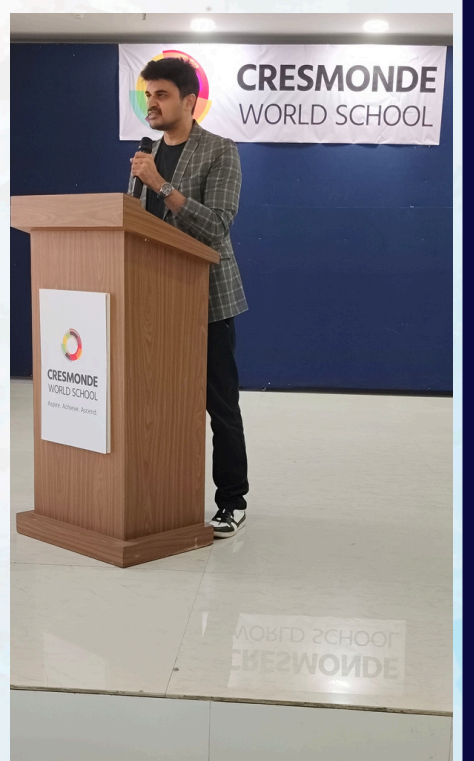

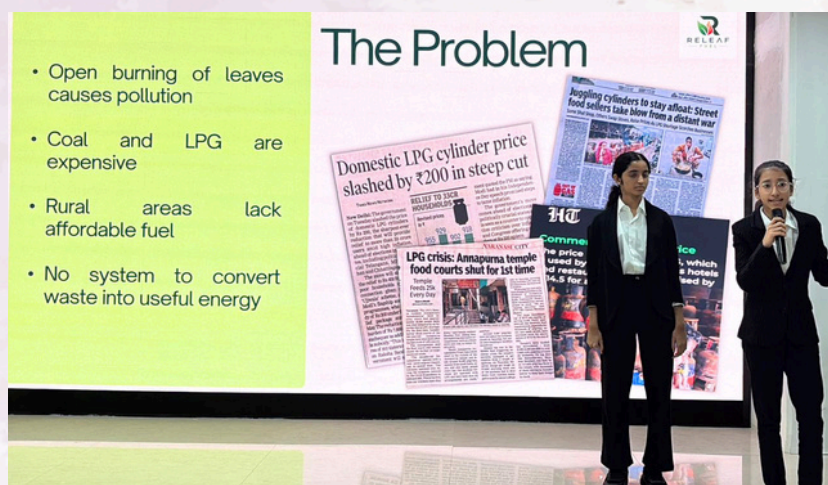

Our Esteemed Trustee, Ms. Dipti Sawant, represented Cresmonde World School at the Prestigious ET Annual Education Summit 2026 in New Delhi.

SHARK EMPIRE

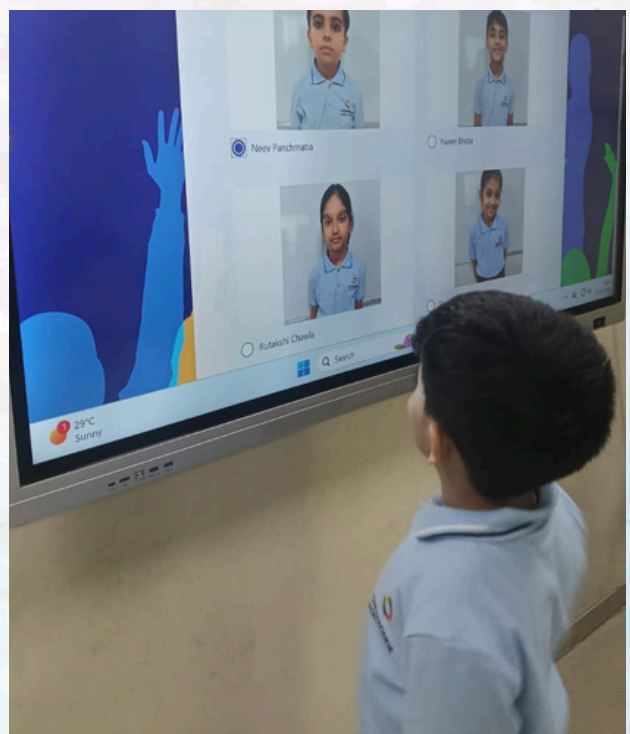

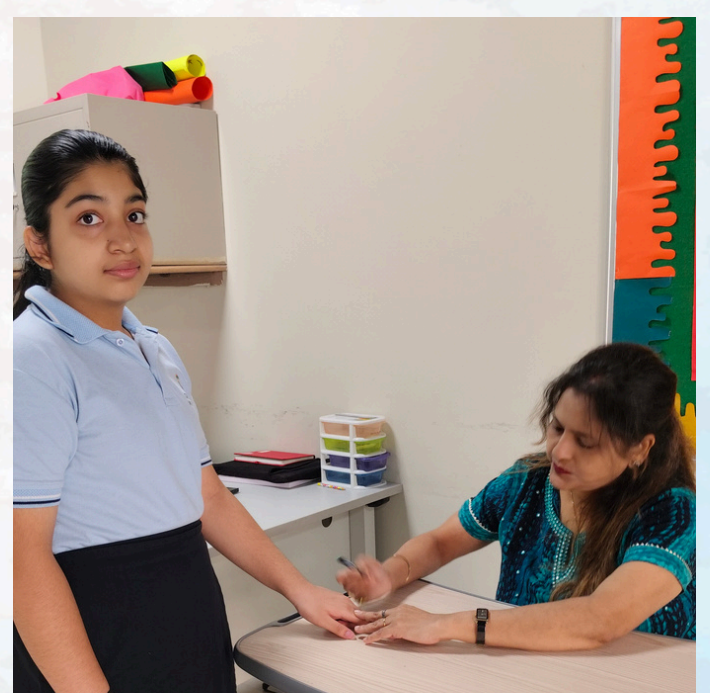

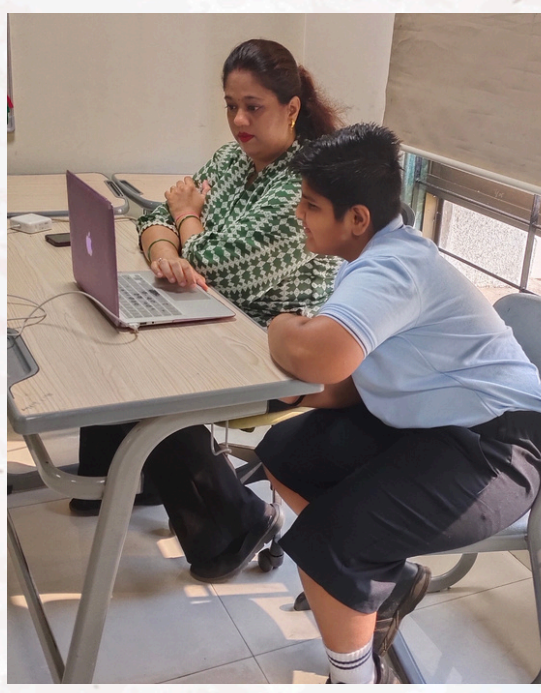

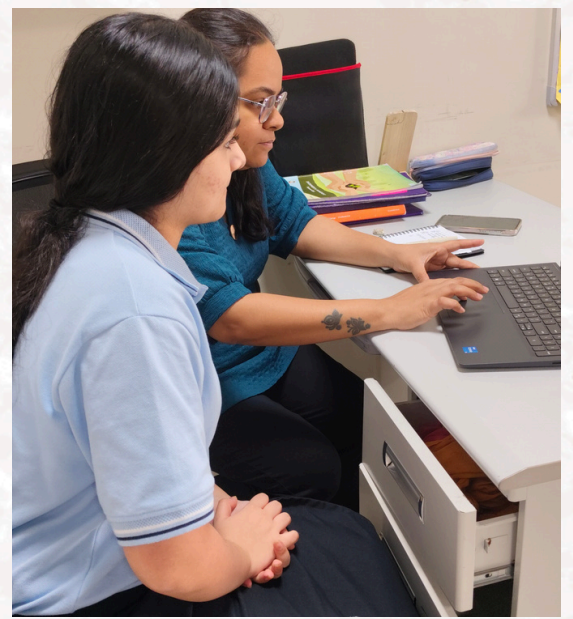

On 29th April, our school auditorium buzzed with innovation as Shark Empire 2026-27 showcased the entrepreneurial talents of our students. Teams SAFEGO, FIBERSHIELD, RELEAF FUELS, and BIOBLOOM presented their innovative ideas before esteemed Sharks—Vinayak Sudhakar, Kamal Garodia, Gaurav Dagaonkar, and Inderjit Chadha. Their valuable feedback and encouragement inspired students to think creatively, embrace entrepreneurship, and pursue innovation with confidence.

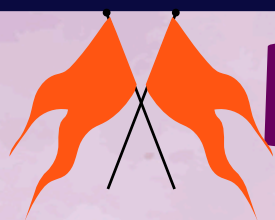

STUDENT COUNCIL ELECTIONS

The School Council Elections at Cresmonde World School empowered students to choose leaders with responsibility, vision, and integrity. More than just a voting process, the elections encouraged democratic values, leadership, and active participation, reflecting our students' commitment to building a stronger and more vibrant school community.

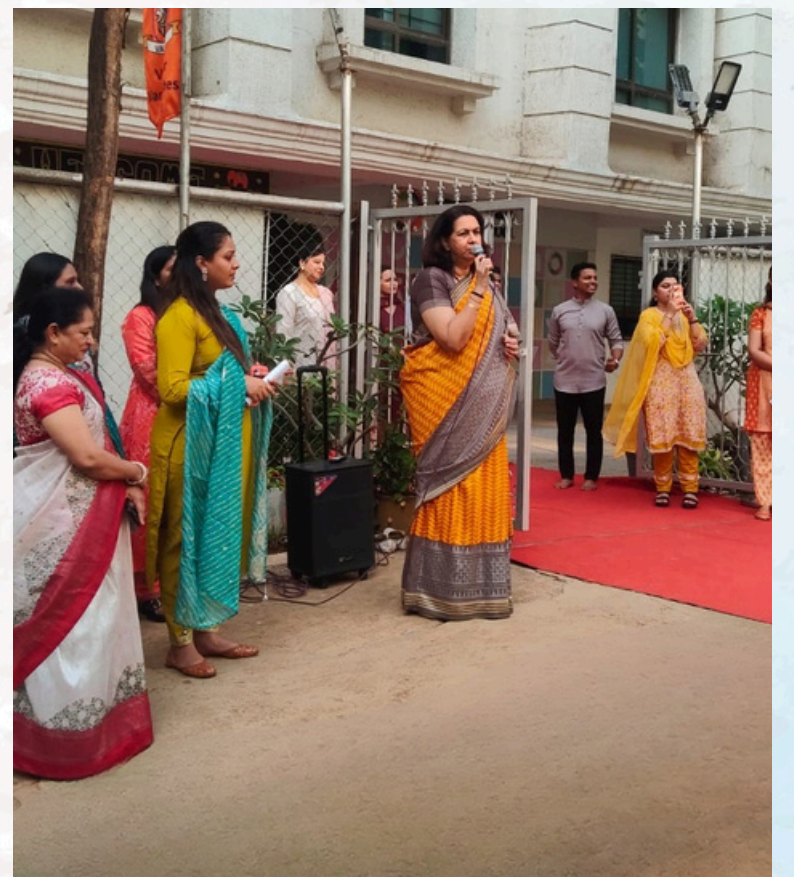

MAHARASHTRA DAY

On 1st May, celebrating the formation of the state of Maharashtra, the celebration was a tribute to Maharashtra's rich cultural heritage, inspiring students to develop a deep sense of pride, responsibility, and respect for their roots. Through this meaningful observance, they were encouraged to cherish the state's enduring values and contribute towards building a brighter and more progressive future.

WORLD ENVIRONMENT DAY

The World Environment Day activity was conducted for Grades 5A and 5B during the Life Skills period. Students enthusiastically created thoughtful and creative messages promoting environmental conservation and sustainable living. The activity encouraged them to reflect on the importance of protecting the planet while fostering creativity, responsibility, and a strong sense of environmental awareness.

INVESTITURE CEREMONY

On 20th June, Cresmonde World School proudly conducted its Investiture Ceremony, marking the beginning of a new chapter in student leadership. The newly elected Student Council took the oath of office with pride, sincerity, and a strong sense of responsibility. Pledging to uphold the values of integrity, dedication, and excellence, the young leaders committed themselves to serving the school community and leading by example throughout the academic year.

FOUNDER'S DAY

On 20th June, Cresmonde World School celebrated Founder's Day, a heartfelt tribute to the vision, values, and dedication that continue to shape our institution. The occasion honoured the collective efforts of our educators, staff, students, and management, whose commitment has been instrumental in the school's journey of excellence. The event also recognized the passion, hard work, and unwavering dedication of our team members, with the management presenting appreciation and accolades for their invaluable contributions. It was a proud reminder of our rich legacy and a celebration of the people who inspire learning, leadership, and continuous growth every day.

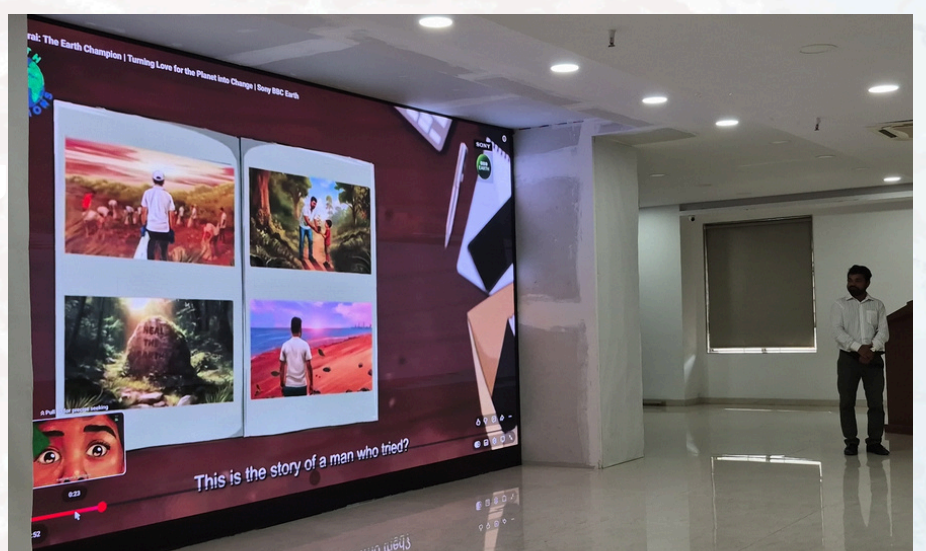

GUEST SPEAKER

MR. DHARMESH BARAI

On the occasion of World Environment Day we had the privilege of hosting an insightful and engaging session by Mr. Dharmesh Barai who shared valuable perspectives on environmental conservation and sustainable living. Through thought-provoking discussions and practical ideas, students were encouraged to become responsible citizens and take meaningful actions towards protecting our planet. The session inspired young minds to understand that even small efforts can create a big impact on the environment. Together, let us nurture a greener future and make every day an opportunity to care for our Earth.

INTERNATIONAL YOGA DAY

On 22nd June, the Primary and Secondary Sections of Cresmonde World School celebrated International Yoga Day with great enthusiasm, discipline, and active participation. Students performed a variety of yoga asanas and engaged in mindfulness activities, gaining valuable insights into the importance of physical fitness, mental well-being, and a healthy, balanced lifestyle. The interactive and refreshing sessions highlighted the numerous benefits of yoga for both the body and mind, inspiring students to incorporate its practices into their daily lives. The celebration reinforced the school's commitment to nurturing holistic development and promoting lifelong wellness among its students.

WORLD MUSIC DAY

On 23rd June 2026, the Primary and Secondary Sections of Cresmonde World School celebrated World Music Day with great enthusiasm as music echoed through every corner of the campus. Students participated in engaging sessions that explored the beauty, significance, and universal language of music, along with a special tribute to Indian Film Music. They enjoyed lively instrument demonstrations, sang soulfully, and showcased their talents through melodious solo and choir performances. The joyful and interactive celebration highlighted the power of music to inspire, connect, and create lasting memories while fostering a deeper appreciation for music, creativity, and cultural heritage.

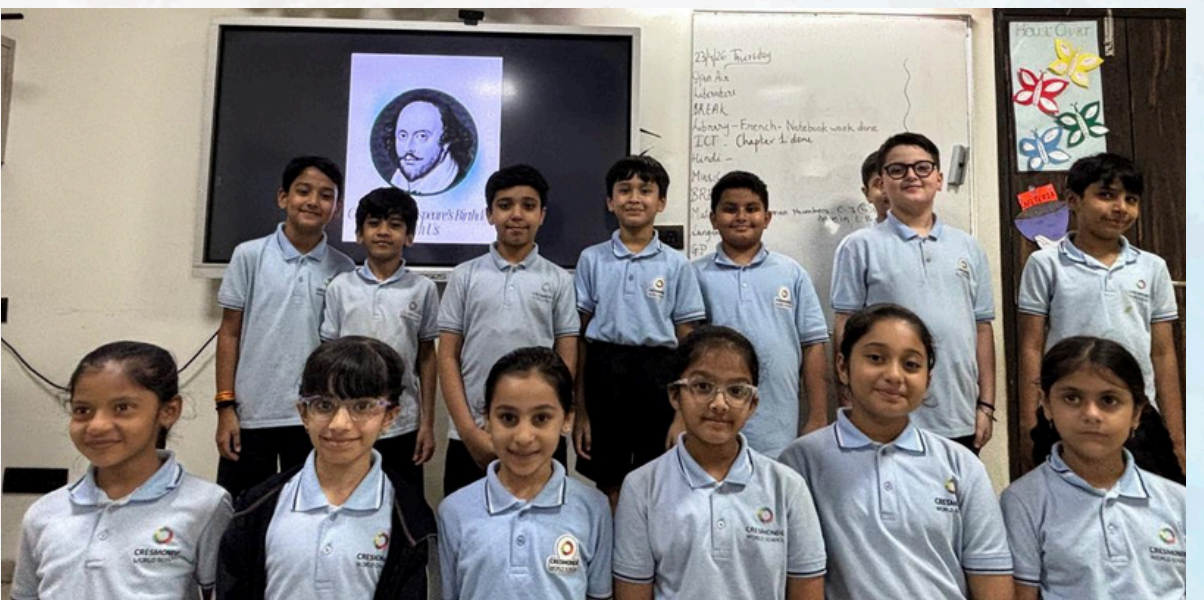

FIRST DAY OF SCHOOL

On 9th April, the hallways were no longer quiet, the classrooms no longer still. Laughter echoes, footsteps hurry, and little voices fill every corner once again. Backpacks are packed with more than books-they carry dreams, curiosity, and endless possibilities. As we open our doors to a new school year, we welcome back the joy of learning, the magic of friendships, and the excitement of new beginnings. Here's to another year of growing, exploring, and shining together.

SHAKESPEARE DAY

On 23rd April, Cresmonde World School came alive with the magic of literature as our students celebrated Shakespeare Day with great enthusiasm and creativity! Our young learners stepped into the world of William Shakespeare by participating in an engaging speaking activity. Students beautifully presented their lines, participated in crown making activity, bringing stories of kings, queens, and timeless tales to life. They built confidence through public speaking and explored classic literature in a fun way. Here's to inspiring young minds through the power of creativity and storytelling

MANAGING BIG EMOTIONS

BY MS.KAJOREE GOSWAMI

On 27th April, as we believe that emotional well-being is just as important as academic growth. Our recent Counseling Session on Handling Big Emotions helped students explore their feelings in a safe, supportive, and engaging environment.

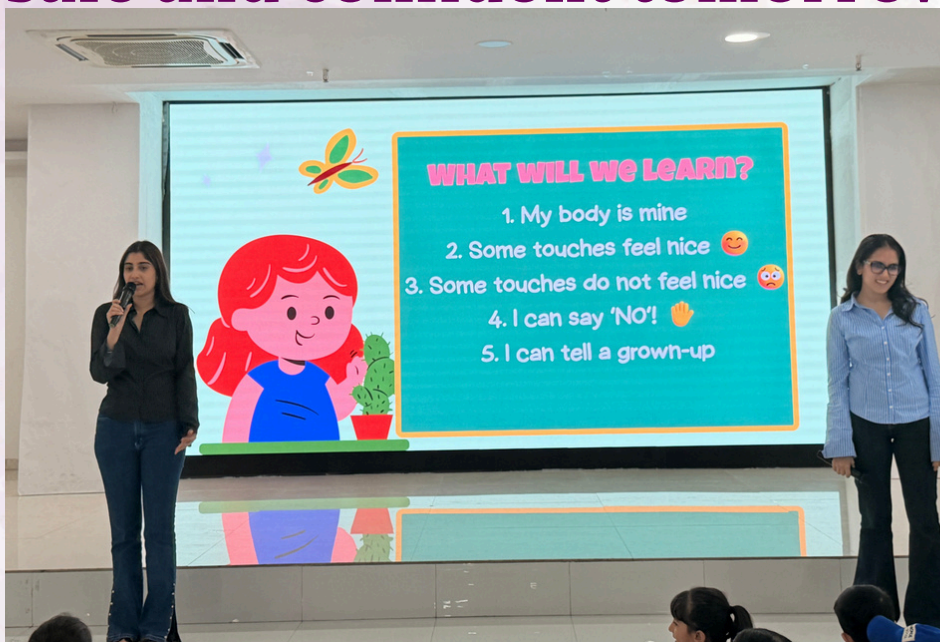

EARTH DAY

On 22nd April, our young learners at Cresmonde World School came together to celebrate Earth Day with enthusiasm, creativity, and a strong sense of responsibility towards our planet. Through engaging and hands-on activities, students explored the importance of caring for the environment. From creative crafts to meaningful discussions, each child took a small yet powerful step towards understanding how they can make a big difference.

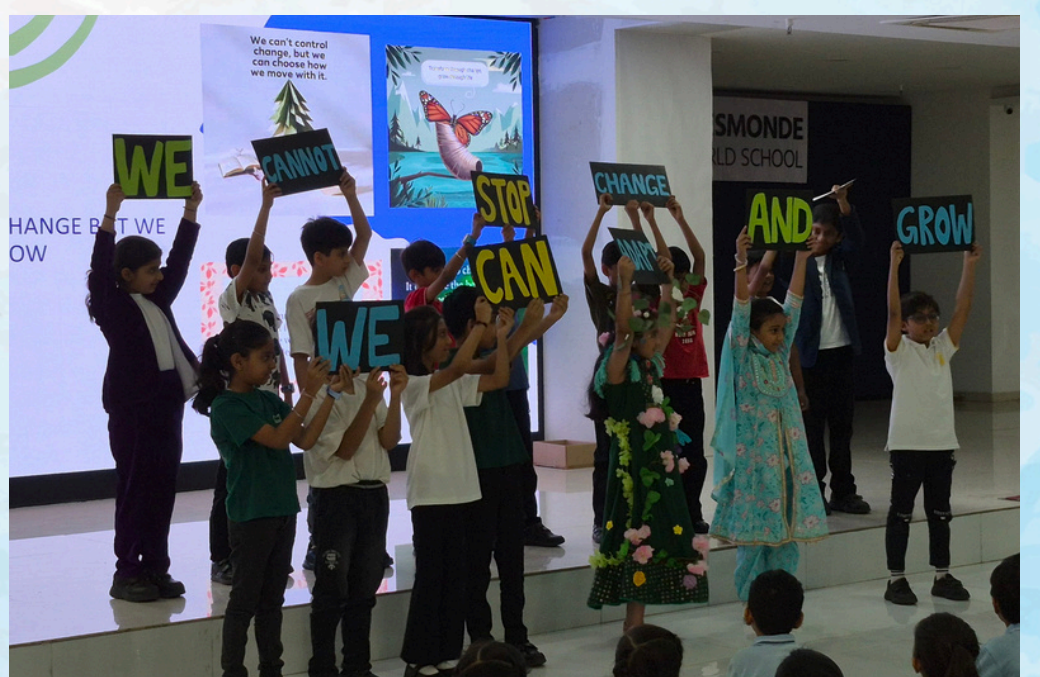

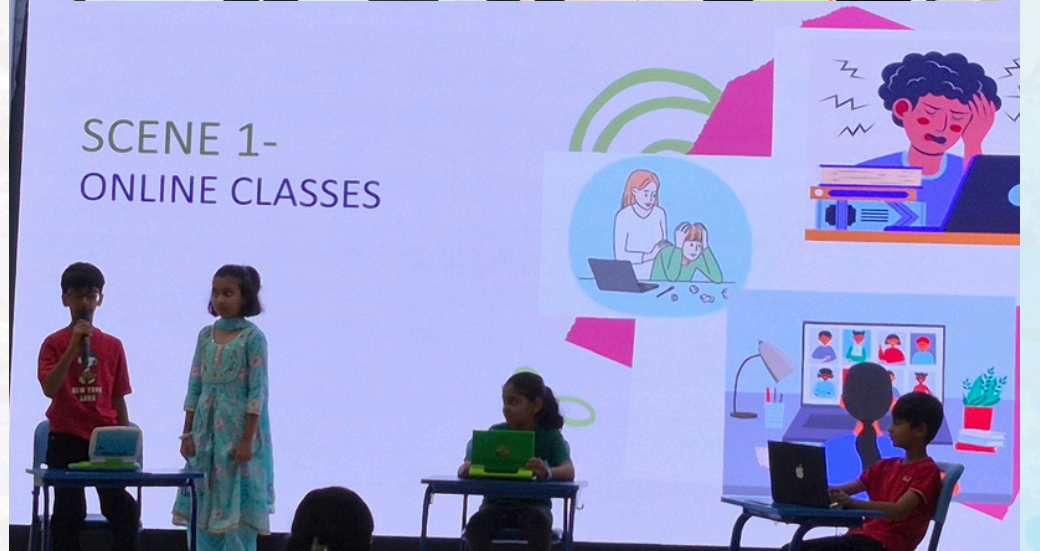

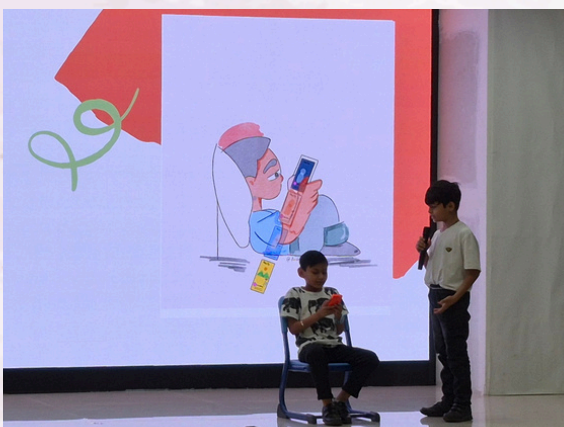

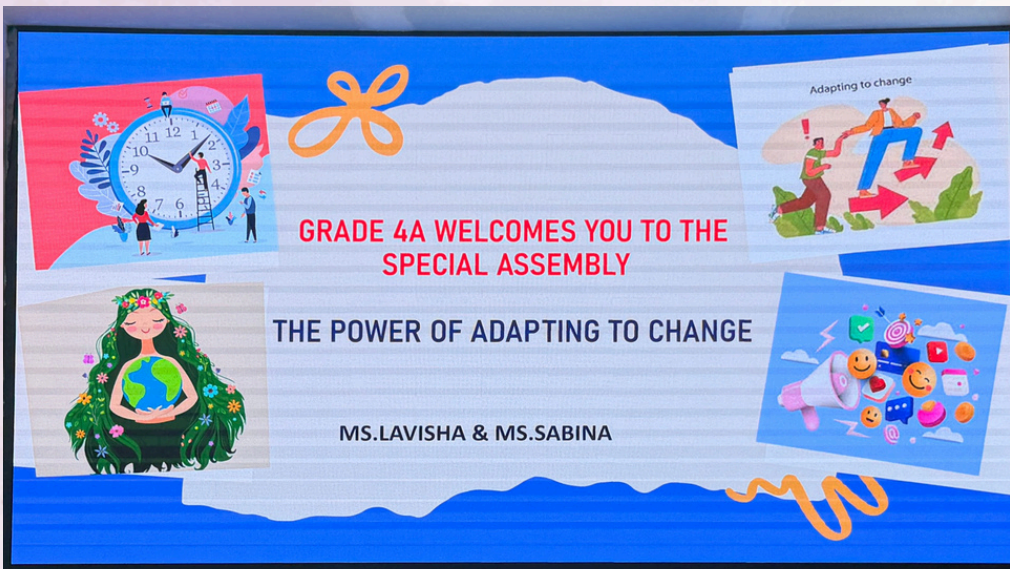

SESSION ON GOOD TOUCH AND BAD TOUCH

On 28th April, while Creating Awareness, Building Safety. At Cresmonde World School, the safety and well-being of our students remain our top priority. We recently conducted an informative and age-appropriate session on "Good Touch and Bad Touch", led by psychologists Tanvi Ajwani and Gunjan Adnani from Talk To Me NGO. Through interactive discussions and simple examples, students were sensitised to understand personal boundaries, recognize safe and unsafe situations, and most importantly, learn how to speak up and seek help with confidence. Empowering children with the right knowledge today helps them stay safe and confident tomorrow.

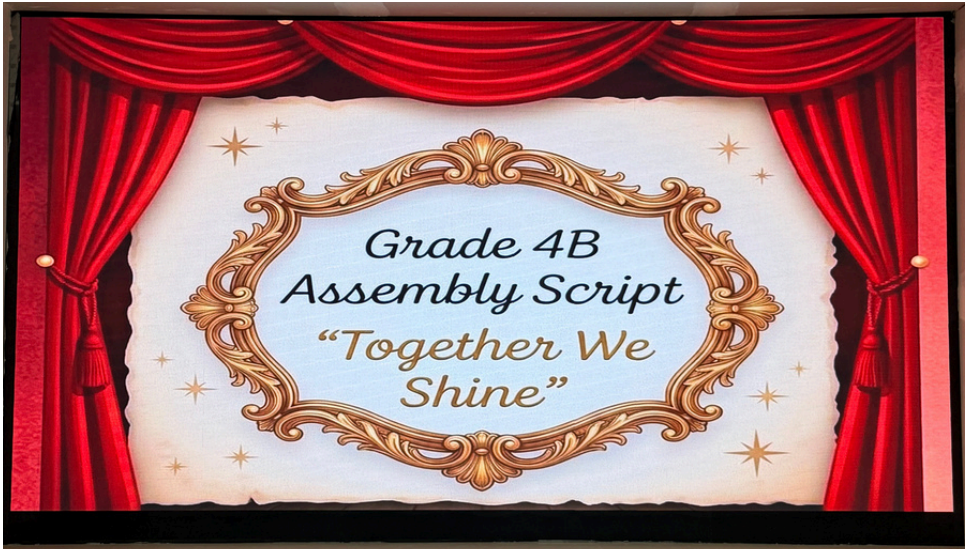

4A CLASS ASSEMBLY

On 30th April, the students of Grade 4A at Cresmonde World School presented a thoughtful and inspiring assembly on the theme "The Power of Adapting to Change." Through meaningful performances, confident expressions, and impactful messages, our young learners beautifully highlighted how adapting to change helps us grow, learn, and become stronger individuals. From real-life examples to engaging acts, the assembly encouraged everyone to welcome change with courage and a positive mindset. We are proud of our students for their confidence, creativity, and powerful presentation!

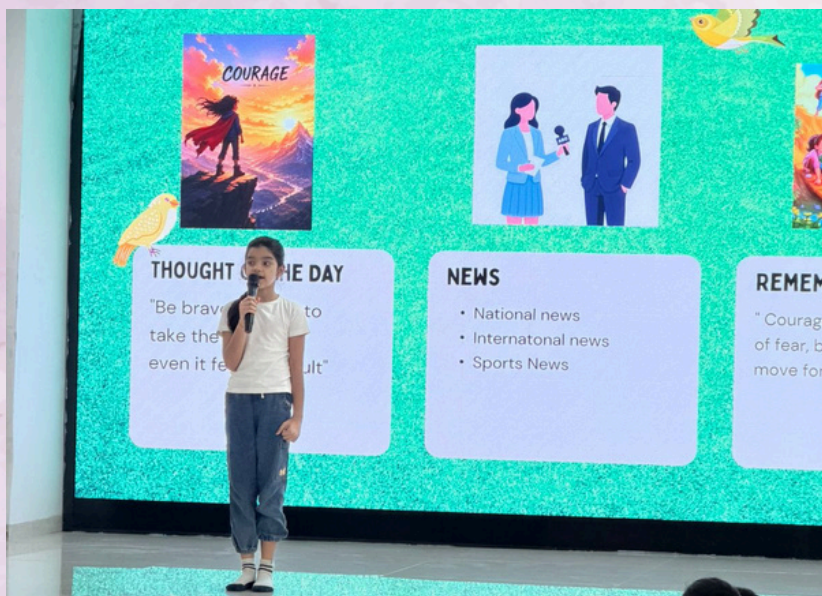

4B CLASS ASSEMBLY

On 24th June, Grade 4B presented their assembly on the theme “Together, We Shine”. Students shared how teamwork, kindness, and unity make every child brighter — not just single stars, but a whole galaxy when together. The assembly was inspiring, engaging, and filled the morning with positive energy.

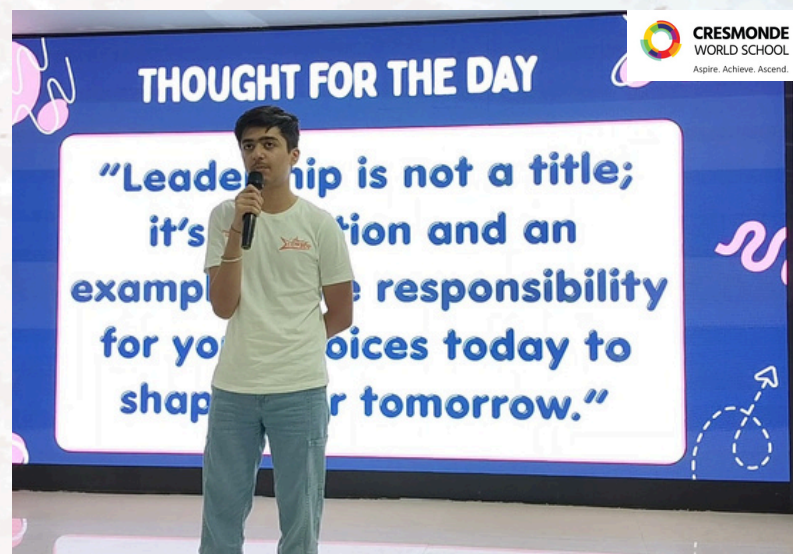

4C CLASS ASSEMBLY

On 24th June, Grade 4C presented their assembly on the theme “Courage – The Inner Strength”. Through skits, speeches, and quotes, students expressed how true courage means facing fears, standing up for what’s right, and believing in oneself. The assembly was thoughtful, uplifting, and reminded everyone that strength begins from within.

9 & 10 CLASS ASSEMBLY

On 24th June, our Grade 9 and 10 students presented an inspiring assembly on "Responsibility, Leadership & Discipline - Becoming the Leader of Your Own Life." A captivating skit on Albert Einstein highlighted the values of curiosity, perseverance, and innovation, encouraging students to lead by example, embrace responsibility, and cultivate discipline in their daily lives. The assembly left the audience motivated to become confident, responsible, and compassionate leaders of the future.

FIRST DAY OF SCHOOL

The first day of school on 9th April was filled with joy and excitement. Our little learners arrived in neat uniforms with bright smiles. While some were excited, a few felt shy at first. The teachers warmly welcomed everyone and helped the children settle in comfortably. The day was filled with fun activities like rhymes, games, and colouring. The beautifully decorated classrooms created a cheerful environment. It was a wonderful start to a new academic year filled with learning, fun, and happiness..

FAMILY DAY

International Family Day was celebrated on 20th April with great enthusiasm and joy. The celebration aimed to highlight the importance of family bonds, love, and togetherness in our lives. Various activities were organized to engage the children and help them understand the value of family. Students participated in discussions and drawing activities, and shared experiences about their families. They spoke about the love, care, and support they receive from their family members. The celebration helped children develop a sense of belonging and respect for their families. It also encouraged them to appreciate the role each family member plays in their lives.

EARTH DAY

Earth Day was celebrated on 22nd April with great enthusiasm. The celebration aimed to create awareness about protecting and caring for our environment. Students participated in simple activities such as drawing, planting, and discussions on saving nature. The celebration encouraged them to care for the Earth and adopt eco-friendly habits. The day concluded with a meaningful message about keeping our planet clean and green.

INTERCLASS DANCE DAY

Interclass Dance Day was celebrated on 27th April with great enthusiasm by the Jr. KG and Sr. KG students. The children enjoyed dancing to lively music and learning simple dance steps. The activity helped enhance their confidence, coordination, and creativity. The celebration ended with smiles and joy, making it a memorable experience for all.

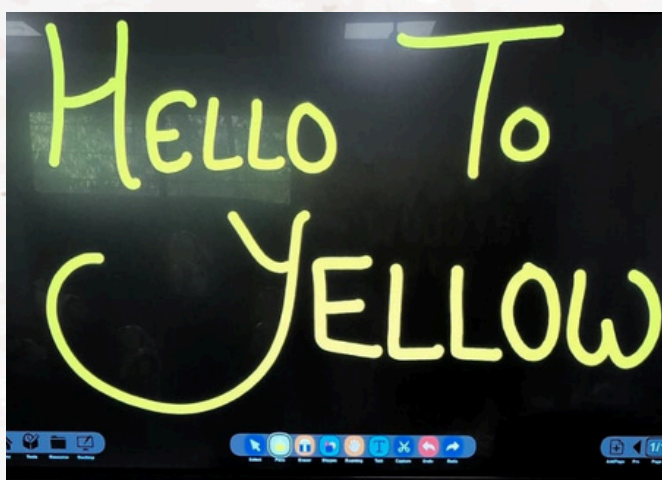

SENSE BOOTH

On 30th April, our preschoolers enthusiastically participated in the "Sense Booth" activity, where they explored the world through their five senses—sight, sound, smell, touch, and taste. Each station was thoughtfully designed with fun and interactive materials that encouraged children to observe, listen, feel, smell, and discover. The engaging hands-on experience sparked curiosity while enhancing their sensory awareness, vocabulary, and observation skills. Our little learners thoroughly enjoyed this joyful learning experience, making it both educational and memorable.

YELLOW DAY

Our Yellow Day Celebration on 11th June, after the summer break, was filled with joy, excitement, and cheerful energy. The children looked bright and cheerful in their yellow outfits and participated enthusiastically in all the activities. It was a wonderful start to the new term, bringing smiles, positivity, and happiness back into the classroom.

VISIT TO A SALON

On 17th June, our Nursery students went on a fun and enriching field trip to Harsha & Rakesh Salon as part of our theme “My Connections,” focusing on “Community Helpers Around Us.” The visit was organized to help learners understand the role of a hairstylist through real-life experience. During the visit, the children met the hairstylists and explored various salon tools such as combs, scissors, hair dryers, and salon chairs. They learned that a salon is a place where people go for haircuts, hair wash, and grooming. The learners also observed a short haircut demonstration, which made the experience more engaging and meaningful. This visit helped them recognize and appreciate hairstylists as important community helpers in our daily lives.

GOOD TOUCH AND BAD TOUCH

On 28th April, an interactive and age-appropriate Good Touch and Bad Touch awareness session was conducted for our preschoolers by the school counselor, Miss Kajoree. Through stories, puppets, and visual aids, the children learned to identify safe and unsafe touches, along with the importance of speaking to a trusted adult if they feel uncomfortable. The session helped build awareness, confidence, and personal safety skills in a safe and supportive environment.

PET DAY

On 19th June, our preschoolers had a wonderful time celebrating Pet Day. They enjoyed meeting and interacting with adorable pets such as dogs, cats, parrots, and love birds. The children were excited to observe the animals closely, learn about their care, and show affection towards them. The experience helped foster kindness, empathy, and a love for animals, making it a joyful and memorable day for all.

MASTERCHEF DAY

On 14th June, Cresmonde World School proudly celebrated MasterChef Day with Dads, a heartwarming event filled with joy, bonding, and togetherness. Our little chefs enjoyed cooking alongside their fathers, learning the value of teamwork, patience, and collaboration. The event was made even more special with fun games and engaging activities that brought smiles to every face. It was a beautiful celebration of love, connection, and memories that will be cherished forever.

YOGA DAY

Yoga Day was celebrated on 22nd June with great enthusiasm. On this day, children learned about yoga and its benefits for both the body and mind. Yoga helps us stay healthy, strong, and happy. In school, the children practiced simple yoga poses such as stretching, bending, and breathing exercises. These activities helped improve flexibility and made them feel calm and relaxed. The teachers explained that practicing yoga daily keeps us fit, active, and helps improve concentration. Yoga Day reminded everyone of the importance of caring for both body and mind through regular yoga practice.

MUSIC DAY

World Music Day is an annual event. It is a special day to enjoy and appreciate music from around the world. Music brings joy, happiness, and relaxation to our lives. On this day, children sang songs, played musical instruments, and enjoyed listening to different types of music. The celebration gave students an opportunity to express their talents and enjoy the magic of music. Music helps us express our feelings and brings people together. World Music Day reminds us to appreciate and enjoy music every day.

SR KG DRESS UP AS COMMUNITY HELPERS

On 25th June, Our young learners confidently stepped into the roles of community helpers and spoke a few lines about their importance in society. Through this engaging speaking activity, the children enhanced their communication skills, built self-confidence, and developed an appreciation for the people who work tirelessly to keep our communities safe, healthy, and happy. It was wonderful to see our little speakers shine as they shared their knowledge with enthusiasm and confidence.
